CLASS SONG:

"Let It Be"

When I find myself in times of trouble,
Mother Mary comes to me
Speaking words of wisdom
Let it be.
And in my hour of darkness
She is standing right in front of me
Whispering words of wisdom,
Let it be.
There will be an answer
Let it be.
And then the broken hearted people,
Living in a world of grief,
There will be an answer,
Let it be.
And though they may be parted
There is still a chance that they will see,
There will be an answer,
Let it be.
And when the night is cloudy,
There is still a light that shines on me,
Shine on till tomorrow,
Let it be.
I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom,
Let it be.

SENIOR CLASS ADVISOR—Mr. Fenoglietto

The Senior Class of 1971 graduates this year leaving behind its own special place in the history of Saltsburg High School. Bound up in the six years that our class has gone to school here are all of the thrills, the achievements, the disappointments, and the ideas that they have experienced as individuals and as a group. These things only naturally leave a lasting impression on each of our lives and on the school as a whole.

In past years, the class of '71 has proved itself to be an unordinary group of people. In everything from its unique dances and its selection of a class song to this year's yearbook and senior class play, our class shows originality and freshness. Many of this year's seniors are leaders in every aspect of school and social life. The majority show themselves to be concerned and determined; concerned about their school, community, and world, and determined to improve their surroundings and promote brotherhood among all men.

As we pass beyond these halls we are entering a whole new world and saying farewell to the things that have meant so much to us in the past. My one hope, as I am sure is the hope of all who have made our education and our life here possible, is that each of my classmates will find his own station in life, and be happy there, and that he may be able to take as much pride in his later years as he can in his years at Saltsburg.

To the Students body of S.J.S.H.S.:

The La Saltianna has been designed and put together for the enjoyment of you, the students. Both the writing and business staffs have worked hard and long hours to make this yearbook the best S.J.S.H.S. has ever seen. We hope you agree with our enthusiasm.

The one person we, as editors, would like to thank is Mr. Stanley Yerep, our advisor. Without his prodding and backing, we would have given up hope long ago of getting this yearbook to you on time, if at all.

The other people this yearbook would have been impossible without were our two staffs. The writing staff has put up with our last minute changes. Many have developed great headaches within the course of time it took to put this book together, we're sure. The business staff has worked along with us until late hours typing, collecting money and soliciting for ads. To them, we say thank you.

Even with these people, the La Saltianna would mean nothing without the people who made it possible — you, the student body of S.J.S.H.S. So, to you, the class of 1971 presents the 44th volume of La Saltianna and we, the editors, present it to you very proudly.

Mrs. Roth:

This year; my senior year, has been a wonderful experience. I said experience because of the many responsibilities I had, being a teacher's secretary. Any girl who is lucky enough to have a teacher like you, has something to brag about. You're really wonderful and I appreciate everything you have done for me.

Your secretary,
Londra J. Fisher

Mom,
I can't think of anything we've done I didn't enjoy. You were one of the best teachers I've ever had even though you didn't have ~~my~~ me officially in Typing II. You taught me a lot of things that I know I'll be able to use later. I'll really miss you & your electric typewriters. They're really heaven. Thanks so much for putting up with me. I'll never forget you. You're the best "mom" anyone could ever have!

Love, Karen

Mam Rata.

you know. I never could understand
why everyone always called you "Mam",
then this year, my senior year. I
finally got to know you & so well do I
realize that you deserve the name
"Mam" with a whole around it. I never
knew a teacher as you & don't. Think
I never ~~will~~ will! You're really fantastic.
(Some one mind, doesn't case with "Shout-
hand") Well, I'll be seeing you next
year - Have loads of fun this summer,
& I see you in the fall!

Love
Ben

(Keith's better half)

Dear Mrs. Roth,

You know something Mrs Roth, I'm getting really dialed up over this stupid yearbook, It seems like I'm losing someone who is like, you know, part of my family. I guess this is stupid, you've probably read all this before but I can't seem to find the right words. I really really respect you Mom, and I'm going to miss your keeping after me all the time, and most of all, I'm going to miss just you. You know I feel so damn funny, because you've treated me so well and I haven't given much in return.

Please Take Care of Yourself

~~I~~ You've been a great asset to my values, behavior, and general personality.

All my Love Mom

Keith

(BEV'S BETTER)

P.s. Wake me up in,
the morning, will ya!
